**FIRST NIGHT MORRIS COUNTY PARTNERS WITH HYATT MORRISTOWN
TO OFFER AFFORDABLE NEW YEAR'S EVE OVERNIGHT:
Hyatt Continues to Support Arts Organization with
Event Space and Discounts for First Night Attendees**

For the third consecutive year, First Night Morris County will house its New Year's Eve Command Center at Hyatt Morristown at Headquarters Plaza. And once again, the Hyatt will offer special discount room packages for First Night attendees.

Those who reserve a room and mention First Night will receive a special rate (\$189/night) and two complimentary admission buttons. For \$199, guests will receive a special New Year's Day breakfast for two in addition to their complimentary First Night Buttons.

"Our partnership with the Hyatt has been invaluable. Three years ago, we lost our donated space as new businesses arrived on the Green. The Hyatt stepped in and welcomed us - and our 150 volunteers - with open arms," said Cindy Zimmerman, First Night Morris County's treasurer.

In addition to providing outstanding service and offering guests a booking discount for supporting First Night, the Hyatt's ballroom has proven a most popular venue for First Night performers.

This New Year's Eve, among the 90+ performances being offered at First Night Morris, the Hyatt's Terrace Ballroom will play host to the VooDudes and Dixie Rascals. Attendees must wear a First Night admission button, available throughout Morris County in December. Buttons are \$15.00 each from December 1 - 15 at the Community Theatre and are available throughout Morris County from December 16 - 30 for \$20.00 each or \$60.00 for a Value 4-pack.
